## OPUS 111 Music Studio & KINDERMUSIK® with Stacy

# Welcome to OPUS 111 Music Studio

We have been established as a community music studio since August 1, 1996 and are located in Jackson School in La Salle. Since 1996 we have grown to have 17 full and part-time degreed instructors on staff at any given time. In addition we are consistently looking to add new and exciting programs to our curriculum ~ any ideas that you would like to share would be GREAT!

The teachers at OPUS 111 are committed to attaining the highest levels of excellence in attitude, respect, motivation and musicianship. Our primary goal is to nurture the students and promote a strong sense of self-worth, discipline and responsibility. We believe that the study of music enhances these fine characteristics and is essential to a person's well-being.

We take pride in our class offerings for all ages beginning with our KINDERMUSIK® programs for Newborns up through lessons and classes for adults.

Should you have questions or concerns regarding the instruction that you or your child are receiving, supplemental programs, recitals, etc., please feel free to contact us.

We formally welcome you and your child(ren) to OPUS 111 Music Studio and encourage you to stay involved with your children through the musical activities offered at OPUS 111 and in the community.

Sincerely,

Sue Gillio, Co-Owner & Director of the Flute Program

Stacy Konczak, Co-Owner & Director of the Piano and KINDERMUSIK® programs

# Promoting music in the Illinois Valley!
