

# OPUS 111 Flute Ensembles

## Fall 2008...

Ensembles for the Session begin Monday, August 25 and follow the flute calendar session. (...students may enroll at any time during the session and need not be enrolled in private instruction to do so). **Festival of Flutes is December 13, 2pm at Illinois Valley Community College for all those involved in flute ensembles at OPUS 111 Music Studio.**

By enrolling your child in this class, you are responsible for the tuition and materials for this class in full at the first class meeting. In the event that your Registration Fee has not been received, it will be added to your class fee. There are no refunds for missed classes. *Notification of inability to attend a class is a courtesy to the instructor, but does not excuse payment for class.*

## How do I get registered to begin class? ... (for new students)

Please fill out a Student Information sheet and return it with a non-refundable \$10.00 Annual Registration Fee. See instructor for multiple family registrations. Registration is on-going and students can join based on schedule availability. Once enrolled, students are asked to fulfill current session as each session concludes with a performance.

OPUS 111 Flute Ensembles provide students of all ages opportunities to learn piccolo, alto and bass flute, perform a unique repertoire and perform on recitals and other outside events.
