

# FIFE CLASS

## Ages 5 ~ 7

...do you want to play the flute?  
...arms aren't long enough?  
...fingers too small?

# Have we got a class for you!!

**30-MINUTE CLASSES with a Maximum of  
six (6) students per class**

**August 30 ~ December 13, 2008**

*Congratulations! You are about to embark on the wonderful world of music.* There will be one (1) session offered with class limited to six (6) players per class. Additional class sections may be added as enrollment is met.

A fife and book will be supplied at the first class. Students will eventually graduate to the flute and may continue in group flute instruction or choose private instruction.

Music basics such as note reading and rhythm will be introduced. Should the child express interest in an instrument other than the flute, he/she will already be "ahead of the game".

### HOW DO I REGISTER FOR CLASS?...

**PRE-REGISTRATION** is strongly encouraged as class materials will need to be ordered prior to the first class meeting. In the event that you have not been pre-registered for FIFE CLASS, please notify instructor and attend the first class.

Please fill out the registration portion of this form and return it with a non-refundable \$10.00 Registration Fee. In the event that there are no available class openings, your Registration Fee will insure you a spot on the waiting list and you will be notified of the next available class opening. These are addressed in the order that they are received.

At your first class, you will receive a copy of the Student Handbook.

### A LITTLE MORE INFORMATION...

The Fall class tuition is \$100.00. For those new to FIFE a small fee will be added for a fife and fife book. As some students may already have a fife, we insist that all class members have the same model for intonation purposes.
